

Company Data Privacy Policy

Version 3.0

This document outlines our commitment to data privacy and protection, with a strong emphasis on compliance with global regulations.

Chapter 1: General Data Protection Regulation (GDPR) Compliance

Our practices strictly adhere to the principles of GDPR, ensuring the rights of data subjects and the secure processing of personal data. We implement measures for data minimization, purpose limitation, and confidentiality as required by GDPR.

Chapter 2: Other Regulatory Frameworks

We also monitor and comply with relevant FDA guidelines for product safety and quality. This policy ensures HIPAA compliance as well.
